

8th International Workshop "Organic Electronics of Highly-Correlated Molecular Systems" Suzdal, ISUCT, September 23-25, 2018

Dear Colleagues:

We are pleased to invite you to participate in the 8th International Workshop on Organic Electronics of Highly-Correlated Molecular Systems which will be held in Suzdal (central Russia) on September 23–25, 2018.

Seven previous regular Workshops on Organic Electronics of Highly Correlated Molecular Systems were successful international scientific events addressed to specialists in the synthesis and characterization of organic functional materials and their device applications. They were held since 2013 in London, UK (2013), Otaru, Japan (2014), Moscow, Russia (2015), St. Andrews, UK (2016), Novosibirsk, Russia (2016), Montreal, Canada (2017) and Nagoya, Japan (2017).

The 8th Workshop is organized by Ivanovo State University of Chemical Technology (Ivanovo, Russia) and will be held in Suzdal' one of the most famous touristic sightseeing in the Golden Ring of ancient Russian cities located around Moscow.

Workshop venue:

The workshop will be held in the conference Hall of Pushkarskaya Sloboda Hotel (<http://www.pushkarka.ru/>).

September 22 Arrival to Suzdal

September 23 Opening of the Workshop, Morning and afternoon sessions, Welcome Party

September 24 Morning and afternoon session, Banquet

September 25 Closing of the workshop, Excursion

September 26 Departure

Organizing Committee

Prof. Pavel A. Stuzhin, Ivanovo State University of Chemistry and Technology, Ivanovo, Russia
(*Co-Chairman*)

Prof. Mikhail F. Butman, Rector of Ivanovo State University of Chemistry and Technology, Ivanovo, Russia
(*Co-Chairman*)

Dr. Aljona S. Malyasova, Ivanovo State University of Chemistry and Technology, Ivanovo, Russia
(*Scientific Secretary*)

Prof. Georgij V. Girichev, Ivanovo State University of Chemistry and Technology, Ivanovo, Russia

Prof. Mikhail K. Islyaikin, Ivanovo State University of Chemistry and Technology, Ivanovo, Russia

Dr. Georgij L. Pakhomov, Institute for Physics of Microstructure RAS, Nizhny Novgorod, Russia

Dr. Yuriy Zhabanov, Ivanovo State University of Chemistry and Technology, Ivanovo, Russia

Dr. Aleksandr E. Pogonin, Ivanovo State University of Chemistry and Technology, Ivanovo, Russia

Programm Committee

Prof. Oskar I. Koifman, President of Ivanovo State University of Chemistry and Technology (*Chairman*)

Prof. Evgenii V. Rumyantsev, Vice-Rector of ISUCT, Ivanovo, Russia (*Vice-Chairman*)

Prof. Kunio Awaga, Nagoya University, Nagoya, Japan

Prof. J. Derek Woollins, St. Andrews University, St. Andrews, UK

Prof. Dr. D. Wöhrle, Universität Bremen, Germany

Prof. Tomas Torres, University of Madrid, Spain

Prof. Sergei A. Ponomarenko, Institute of Synthetic Polymer Materials, RAS, Moscow

Prof. Yulia G. Gorbunova, Institute of General and Inorganic Chemistry, RAS, Moscow

Prof. Andrey V. Zibarev, Vorozhtsov Institute of Organic Chemistry, Siberian Branch of RAS, Novosibirsk, Russia

Prof. Oleg A. Rakitin, Zelinsky Institute of Organic Chemistry, RAS, Moscow, Russia

Prof. Valentin G. Nenajdenko, Moscow State University, Moscow, Russia

Dr. Svetlana S. Ivanova, ISUCT, Ivanovo, Russia
(*Scientific Secretary*)

Registration:

Registration is necessary for all attendees. It will be opened on March 20th 2018 at <http://isuct.ru/en/WOrgEl2018>

Registration fee includes workshop package, accommodation in Pushrarskaya Sloboda Hotel (standart, superior rooms or Russian izba), meals (breakfast, lunch, dinner), welcome party and coffee breaks, transfers from Vladimir to Suzdal and visa support.

Registration fee depends on the accommodation type chosen by participants:

Accommodation type	Double occupancy (pro person)	Single occupancy
Standard room	250 Euro	350 Euro
Superior room	280 Euro	400 Euro
Russian izba	300 Euro	450 Euro

Registration fees are given for 4 nights (arrival 22/09/2018, departure 26/09/2018). Change of arrival and departure dates is possible on the individual basis (please consult the organizing committee).

Deadline for registration and abstract submission: May 1st, 2018

Accommodation:

Upon registration of the Workshop attendees the accommodation in The Pushkarskaya Sloboda Hotel will be reserved according to their choice.

Participants can choose their accommodation in the standard or superior rooms. We also strongly recommend the accommodation in the styled rooms in Russian izba.

Visa

Foreign participants will receive information about documents necessary for visa arrangement by e-mail.

Abstracts:

Abstracts of the presentations should be submitted during registration till May 1st 2018.
